<https://ie.linkedin.com/in/christopher-duffy-b37b35171>

Christopher Duffy and his brother John Duffy started the company back in 2010 completing groundworks and demolition projects in Ireland. It was an achievement that Christopher won Donegal young entrepreneur of the year award. Since then the business has been going from strength to strength. Today Duffy Bros are proud to be respected and known for our Groundworkers and Demolition in the construction industry.

Key acquisitions within Duffy Bros has ensured that our growth is being matched by a level of Groundworks and Demolition expertise. In this sample brochure, we have picture of some of our projects over the years.

Duffy Bros have vast experience in a variety of contracts both in residential and commercial sectors. Contracts from €10k to 3 million.
